CRIMINAL NO. H-11-722

ABRAHAM MOSES FISCH  
MONICA BERTMAN

**O R D E R**

The court held an interim pretrial conference on February 25, 2014. The government advised that it may need a continuance due to another trial setting. The defendants are unopposed to that continuance. The court found that the interests of justice are served by granting this continuance and that those interests outweigh the interests of the public and the defendants in a speedy trial. The docket control order is amended as follows:
